Re: Wireless Termination Tariffs, CC Docket No. 01-92

Dear Ms. Dortch:

Harold Salters, Director, Federal Regulatory Affairs, T-Mobile USA, Inc. ("T-Mobile"), Lorrie Turner, Manager, Federal Regulatory Affairs for T-Mobile, and the undersigned, also representing T-Mobile, met on January 19, 2005 with Barry Ohlson, Senior Legal Advisor to Commissioner Adelstein, and Scott Bergmann, Wireline Legal Advisor to Commissioner Adelstein, to discuss the Petition for Declaratory Ruling filed by T-Mobile, Western Wireless Corporation and Nextel Communications, Inc. regarding the validity of unilateral local exchange carrier tariffs imposing charges for the termination of calls originating on wireless carrier networks. The T-Mobile representatives responded to arguments raised by other parties and emphasized that the Petition should be granted expeditiously to prevent further harm to consumers and competition.

The views expressed by the T-Mobile representatives during the meeting tracked the positions set forth in T-Mobile's filings in this proceeding and summarized in the attached presentation, which was distributed at the meeting.
